## *Dear Colleagues!*

We invite you to take part in the summer school «**NUCLEAR AND RADIATION PHYSICS**».

The topic of the summer school is devoted to actual problems of nuclear and radiation physics.

The aim of the summer scientific school is exchange of opinions and knowledge on new results and discoveries in the field of nuclear and radiation physics.

The participants of the summer school will get acquainted with the latest achievements and discoveries in the field of nuclear and radiation physics, which will contribute to the implementation of scientific ideas, researches and ideas of young scientists in the field of science and technology. Participation in this school will allow young scientists to expand their knowledge in the field of nuclear and radiation physics, conduct joint scientific research, which will serve as a powerful impetus for the integration of young people into the world scientific educational space, reaching a new level of quality at research and discovery.

### **ADDRESS OF THE COMMITTEE**

L.N. Gumilyov Eurasian National University  
Faculty of Physics and Technical Sciences  
International Chair of Nuclear Physics,  
New Materials and Technologies  
Satpaev str., 2  
010008, Astana, Kazakhstan

Phone: **(7172) 709-500 add. 33-319**

E-mail: **kafedra\_yaf@enu.kz**

### **KEY DATA**

May 27, 2017 - the deadline for the application for participation in the summer school by e-mail [kafedra\\_yaf@enu.kz](mailto:kafedra_yaf@enu.kz);  
May 30, 2017 - placement of the summer school program on the University's website;  
June 4-5, 2017 - arrival of school participants and registration;  
5 -9 June 2017- summer school work;  
June 9, 2017 - summarizing and closing the school.

### **CONDITIONS OF PARTICIPATION IN SUMMER SCHOOL**

All participants will receive certificates of participation in the summer school.

Accommodation and meals will be provided at the expense of the invited party.
